

REMARKS

Claims 16-28 and 30-40 are pending in this application. By this Amendment, claim 29 is canceled without prejudice to, or disclaimer of, the subject matter recited in that claim. Reconsideration and allowance of the application based on the above amendments and the following remarks are respectfully requested.

The Office Action indicates that this application is in condition for allowance except for correcting certain formal matters. Specifically, the Office Action, on page 2, states that claims 16-28 and 30-40 are allowed.

The Office Action, on page 2, objects to claim 29 as being in improper dependent form for failing to further limit the subject matter of a previous claim. The Office Action states that cancellation of claim 29 would overcome the objection. Claim 29 is canceled, thereby obviating the objection.

In view of the foregoing, Applicants respectfully submit that this application is in condition for allowance. Favorable reconsideration and prompt allowance of the application are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact Applicants' undersigned representative at the telephone number set forth below.

Respectfully submitted,

James A. Oliff
